- |    |                                                                                                                                                                                                                                                                                       |             |
|----|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------|
| 1  | Sunday rides reports continue to be of positive nature, younger competitive cyclists joining long ride need sending off on their own, Mike McRedmond & Steve Stannard to be asked to help, co-ordinators TBA.                                                                         | MK          |
| 2  | Glenys Taylor requested if Pedal Pushers Lucky Draw reaches \$200 then she would like multi draw. After discussion we all agreed this was an incentive and should remain a single draw.                                                                                               | MK          |
| 3  | Getting Started Booklet ready to be posted on BM website.                                                                                                                                                                                                                             | VH          |
| 4  | Taupo training rides 7AM ex Memorial Park, 1st held 11 Nov, KY advised went well with approx 20 cyclists . Another scheduled for 18 Nov, MR organising.                                                                                                                               | MR          |
| 5  | Pahiatua ride OK for 17 February 2013, will start & finish from Tui Brewery, morning tea from café, to liase with Kevin Laskeys Cycles. Enduros can ride from PN to Pahiatua for ride and return. Promo to be written for BM website.                                                 | MC & MK     |
| 6  | Survey for BM club members work in progress.                                                                                                                                                                                                                                          | MR          |
| 7  | BM Masters Age Members Track Champs using MMCC handicap system set for Sunday 10 February 2013, advise BM Events Planning Group via Glenys Taylor.                                                                                                                                    | IG & MK     |
| 8  | BM Masters Ages other championship events (hill climb & time trial) dates using MMCC handicap system discussed. Suggestion is to hold in conjunction with BM 2013 events, advise Glenys Taylor dates TBA. Cheltenham Handicap Road Race will have to be seperate event 2013 date TBA. | IG & MK     |
| 9  | Masters Age Group Championship events handicap system criteria (as used by MMCC to award trophies) to be presented urgently to Glenys Taylor for presentation at next week's BM Board meeting, MC will support.                                                                       | MC, IG & MK |
| 10 | Christmas Ride OK Sunday 16 Dec '12, MR to confirm booking with Wharerata \$7.50/head (+GST?), gold coin donation will be collected, discuss with Glenys Taylor running BM raffle.                                                                                                    | MR, MC & MK |

### **GENERAL BUSINESS**

- |   |                                                                                                                                                                                                                                                                                              |     |
|---|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----|
| A | Discussion re introducing new rides commencing out of PN, i.e. drive to start. Agreed to introduce 1 ride PA. Suggestions - 1. Ohakune / Taihape to PN; 2. Masterton - Weber - PN; 3. Mangaweka - Rangiwahia - PN. Suggestion for logistical support involve Army as part of their training. | All |
| B | BM Strava Distance Rides organised 1st time by MR were interesting, participants accumulated ober 10,000 kms, MR will organise another in 2013                                                                                                                                               | MR  |
| C | This group to have social evening in New Year, MC offered to host.                                                                                                                                                                                                                           | MC  |

**Meeting finished approx 8.30PM**

### **Next Meeting**

30 January 2013, 7.30PM, Mike's, 44 Batt St, PN.
