

The Bike Box Rental hub in Palmy is now run by Jack Carson, a student at PNBHS and keen cyclist.

Don't leave your next race or ride in the hands of the baggage handlers. Use a box that provides maximum protection and is easy to pack.

We would love to offer the following discount to all Bike Manawatu club members.

*Either free packing, which is normally \$20,
or 10% discount on the rental.*

We now manufacture the first hard case Bikeboxes to be made in New Zealand, and would like to offer club members a 10% discount on purchasing these.
